

## HORSEBACK RIDING FORM

### PERMISSION AND WAIVER

Permission is required in order for your daughter to participate in the horseback riding program at Camp Juliette Low. The horseback program offers all campers the opportunity to learn about the care and grooming of horses, tacking, English seat and trail riding for those girls who have mastered certain skills. Camp Juliette Low has devoted great effort to assure that participants and spectators are protected in every possible way. However, riding and being around horses includes a certain amount of risk. In giving permission for your daughter to participate, the parent or guardian acknowledges the possibility, in spite of the best efforts of the camp to provide a safe and enjoyable horseback riding program, that an accident might occur in which said minor child might be injured.

By your signature on this form, the undersigned does waive and relinquish any claim for damages against Camp Juliette Low or any of its staff or employees, unless such injuries or mishaps occur as a direct result of the clear and obvious negligence of the Camp and/or its staff or employees.

I hereby permit my child \_\_\_\_\_ to participate in the horseback riding program at Camp Juliette Low.

Session 1   Session 2   Session 3   Session 4   Session 5   Gypsy Week

### SAFETY POLICIES

1. **ALL** campers will wear riding helmets supplied by the Camp or use their own.
